

When we are united,  
we are powerful.

Over the past few months, we reached out to nearly 25,000 voters. We **encouraged our neighbors** to vote for environmental justice and advance the policies that will build #healthyhoods for our families.

**Together, we made our voices heard.**

On November 6, our votes elected new progressive leaders that will fight for our families, our communities and for environmental justice.

Congratulations to:

- Alejandra Sotelo-Solis, National City Mayor
- Mona Rios, National City Councilmember
- Dr. Jen Campbell, City of San Diego District 2 Councilmember
- Monica Montgomery, City of San Diego District 4 Councilmember
- Vivian Moreno, City of San Diego District 8 Councilmember
- Nathan Fletcher, San Diego County Board of Supervisors

We look forward to working with these new representatives, and we stand ready to continue fighting for justice in our communities.

EMPOWERING PEOPLE. ORGANIZING COMMUNITIES. ACHIEVING JUSTICE.
