

Session VII: Organizing

Yea, me too! But now I know that organizing is

I know! It's hard for me too, but what makes it easier for me is

Even with my positive attitude I still feel terrible when someone turns me down! But then I remember

I am so glad that we are talking; it really makes sense to have others to bounce ideas off of.

Well, like they said at SALTA it's always good to go where the people are... how about we try
