

I pledge to be an EHC leader

- I will represent EHC and provide EHC information to our communities
- I will actively participate in the decisions of my Community Action Team, contributing my time, experience, and other resources as much as possible
- I will organize community residents to participate in EHC efforts
- I will advocate before elected officials and other decision makers for the public good
- I will recruit new EHC members and leaders
- I will continue learning and developing my leadership skills, continue to share my story, and continue to fight for environmental justice!

I am proud to serve as an EHC leader. Together we will achieve justice!
